

Do you know what your business is worth?

Valuations can be required for...

- Monitoring how the business is performing against goals;
- Taxation and negotiating with the tax authorities;
- Business sales and purchases;
- Business mergers;
- Divorce proceedings and matrimonial disputes;
- Raising finance;
- Company buy back of shares;
- Tax planning;
- Financial reporting requirements;
- Shareholder/partner disputes;
- Pension and exit planning.

We can provide business valuation services for unincorporated entities and shares in unquoted companies based in the UK including assistance with dispute resolution and litigation.
